Insurance Intermediary Services/Mortgage Intermediary Services

DW Financial Ltd. acts as an **Independent Broker** which means that:

- a) the principal regulated activities of the firm are provided on the basis of a fair analysis of the market; and
- b) you have the option to pay in full for our services by means of a fee.

Fair Analysis

The concept of fair analysis is derived from the Insurance Mediation Directive. It describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could be reasonably expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,

- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

Investment Intermediary Services

DW Financial is remunerated by commission for its investment intermediary services

Life & Pensions/Deposits & Life Wrapped Investments

DW Financial Ltd. provides life assurance and pensions on a fair analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet the your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policies and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies it is our policy to explain to you a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

Mortgages

Through the lenders or other undertakings with which we hold an agency, DW Financial Ltd. can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

DW Financial Ltd. provides mortgage advice on a fair analysis basis (providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.

Any failure to disclose material information may invalidate your claim and render your policy void.

DW Financial Ltd. is remunerated by commission and other payments from product producers or lenders on the completion of business. You may choose to pay in full for our services by means of a fee.
