Insurance Intermediary Services/Mortgage Intermediary Services

DW Financial Ltd. acts as an **Independent Broker** which means that:

- a) the principal regulated activities of the firm are provided on the basis of a fair analysis of the market; and
- b) you have the option to pay in full for our services by means of a fee.

Fair Analysis

The concept of fair analysis is derived from the Insurance Mediation Directive. It describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis must be such that could be reasonably expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,

- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration.

Investment Intermediary Services

DW Financial is remunerated by commission for its investment intermediary services

Life & Pensions/Deposits & Life Wrapped Investments

DW Financial Ltd. provides life assurance and pensions on a fair analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policies and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies it is our policy to explain to you a) the meaning of disability as defined in the policy; b) the benefits available under the policy; c) the general exclusions that apply to the policy; and d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

Mortgages

Through the lenders or other undertakings with which we hold an agency, DW Financial Ltd. can provide advice on and arrange mortgage products from the following range: fixed-rate loans, variable rate mortgages, capital & interest mortgages, interest only mortgages, endowment mortgages, pension mortgages and residential investment property.

DW Financial Ltd. provides mortgage advice on a fair analysis basis (providing services on the basis of a sufficiently large number of contracts and product producers available on the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

We will need to collect sufficient information from you before we can offer any advice on housing loans. This is due to the fact that a key issue in relation to mortgage advice is affordability. Such information should be produced promptly upon our request.

Disclosure of Information

Any failure to disclose material information may invalidate your claim and render your policy void.

DW Financial Ltd. is remunerated by commission and other payments from product producers or lenders on the completion of business. You may choose to pay in full for our services by means of a fee. Where we receive recurring commission, this forms part of the remuneration for initial advice provided. We reserve the right to charge additional fees if the number of hours relating to on-going advice/assistance exceeds 10 hours.

In certain circumstances, it will be necessary to charge a fee for services provided. These are listed below for life, pensions & investments, non-life business and Standard PRSAs. In other circumstances where fees are chargeable or where you choose to pay in full for our service by fee, we will notify you in writing in advance and agree the scale of fees to be charged if different from fees outlined below.

If we receive commission from a product provider, this may/will be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission may become the amount payable to the firm unless an arrangement to the contrary is made.

Fees

We offer advice on a fee basis. e.g.:

Principles / Directors	€250
Senior Advisers	€200
Support staff	€125

Additional fees may be payable for complex cases or to reflect value, specialist skills or urgency, our scale of fees for such cases range from a minimum of €125 per hour to a maximum of €250 per hour. We will notify you in advance and agree the scale of fees to be charged.

DW Financial Ltd charges an administration fee where it gives advice which, either results in no product being placed, or the product being placed direct with a product producer or with a product producer with whom it has no agency.

Mortgages

We may receive up to 1% (or whatever maximum is applicable) of the loan for arranging mortgage finance. This commission is paid by the mortgage lender. The actual amount of commission will be disclosed at a later stage in the ESIS (European Standardised Information Sheet) which will be forwarded to you. Information on the variation in levels of commission payable by the different creditors providing credit agreements being offered are available on request.

If the mortgage is redeemed or switched within 3 years of draw down DW Financial Ltd reserve the right to charge you up to 1% of the value of the original loan.

We charge an application fee of €250, this fee is non-refundable. €100 of this initial fee is payable upfront for us to review your application and advise on your options. The balance of €150 is payable on submission of your application to a lender. This is not in any way an indication of mortgage/loan approval. Our fee will be notified to the lender who will include this fee into the calculation of the APRC (Annual Percentage Rate Charge).

Please note that lenders may charge specific fees in certain circumstances and if this applies, these fees will be specified in your Loan Offer. You have the right to pay a fee separately and not include it in the loan. Typically, this situation arises in relation to specialist lending.

If we provide mortgage advice and obtain a Loan Offer for you and you subsequently do not proceed with your mortgage application through our firm, we will charge you an additional arrangement fee of €675 for our services.

Ongoing Suitability: Investments

The firm's services do not include ongoing suitability assessments.

Regular Reviews

It is in your best interests that you review, on a regular basis, the products which we have arranged for you. As your circumstances change, your needs will change. Our firm will exercise its legal rights to receive payments due to it from clients (fees and insurance premiums) for services provided. In particular, without limitation of the generality of the foregoing, the firm will seek reimbursement for all payments made to insurers on behalf of clients where the firm has acted in good faith in renewing a policy of insurance for the client.

Product producers may withdraw benefits or cover in the event of default on payments due under policies of insurance or other products arranged for you. We would refer you to policy documents or product terms for the details of such provisions.

We will acknowledge your complaint within 5 business days and we will fully investigate it. We shall investigate the complaint as swiftly as possible, and, the complainant will receive an update on the complaint at intervals of not greater than 20 business days starting from the date on which the complaint is made.
